## Statement of Common Purpose

The Rolvenden Rocket initiative is a wellbeing initiative to enable residents, through their local club membership, to have better access to transport.

Anyone wishing to be part of the initiative must enter into the spirit of Rolvenden Rocket by agreeing to this Statement of Common Purpose, that the use of the vehicle will be solely to benefit the day-to-day activities of the local community.

The initiative is operating under a section 19 permit, with volunteer drivers from within the community. From the initiative, no profit is permitted and it is not a replacement for local bus services and must not be used as such.

By signing below you agree to the conditions of the Rolvenden Rocket, which include:

- adhering to the terms and conditions of the initiative.
- not using the vehicle in a way that is inappropriate or,
- is likely to bring the reputation of the Parish or Ashford Borough Council into disrepute or,
- for any purpose other than to benefit the community the initiative serves.
- Keeping to the spirit and purpose of the initiative at all times.
